Eagerness to Learn

Certifications

- ✓ [Next.js & React – Complete Guide \(Udemy\)](#)
- ✓ [React – Complete Guide \(Udemy\)](#)
- ✓ [Complete JavaScript Course \(Udemy\)](#)

About Me

Front-end developer with hands-on experience building responsive, user-friendly web applications. Skilled in modern frameworks and best practices, with a strong passion for creating clean, efficient code. Eager to keep learning, adapt to new technologies, and contribute to building impactful products as part of your team

Work Experience

Front-end Developer — Dadeh Pardaz Novin

February 2025 – Present

- Worked with Next.js, TypeScript, React Query, SWR
- Applied principles of Clean Code and Design Patterns
- Converted Figma designs into responsive, functional code

Front-end Developer — Manzooome Negaran

October 2023 – October 2024

- Built UIs using TailwindCSS, JavaScript converting Figma designs
- Developed travel agency websites ([Nakhoda Travel](#), [Ana Parvaz](#))
- Enhanced teamwork skills through collaborative development

Front-end Developer — Nasr Telecommunications

February 2023 – July 2023

- Worked with Next.js, Bootstrap, React, Figma
- Converted Figma designs into code and built UI components
- Gained foundation in front-end programming and UI design
